**LETTER**

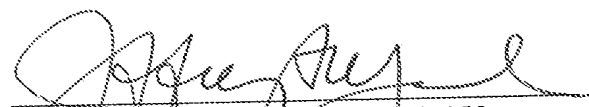

Sir:

In response to the inquiry from the Examiner on June 19, 2008, it was determined that an error was made in the filing of the RCE on May 12, 2008. The RCE transmittal, itself, was correctly filed with the proper fee. However, the Amendment accompanying the RCE transmittal pertained to a different patent application, as is apparent from the identification of that other patent application by application number.

In order to correct the error, the correct Amendment is now filed, the Amendment prepared and signed on May 12, 2008. In addition, an extension of time fee through and including June 26, 2008, is also being filed.

Entry of the following Amendment, so that examination of the intended amended claims, corresponding to the previously examined claims, can continue, is respectfully requested.

Respectfully submitted,

Jeffrey A. Wyand, Reg. No. 29,458
